WIRBELAU RUFUS

Date of birth : 06/07/2006

Height : 1.44m

Awesome chestnut stallion (no white).

Extremely beautiful stallion with three lovely paces .Very rare bloodlines (Mountain Lad), Sydserff Riverdance-son out of an Abbeyleix Owen mare.

Fantastic colour, chestnut with no white!

He has been brought on slowly and is now working very well on the flat and in showjumping. He has an excellent jump. He has been cross country schooling and has proven to be very brave.

Easy to ride, talented for dressage, showjumping and eventing. Hacks alone or in company, loads and transport no problem.

Approved in Switzerland for Connemaras and ridingponies with highest scores in Stalliontest.

Let Rufus bring colour into your stud!
