Oreo is a stunning bay (possibly roan) colt with huge presence, his movement is exquisite and so is his nature. His expected height would be 15hh, his sire is 14.1hh and his dam is 15.2hh. His dam, Caterina is beautiful WB mare who has elastic movement, she was trained to elementary dressage before she suffered an injury which turned her into a broodmare. His sire Clairvale Constellation, is a stunning buckskin roan stallion with sport pony breeding, he has multiple wins in the show ring for in hand. Oreo would make a fantastic future dressage prospect and/all rounder. Price is negotiable but the home is not. Oreo will be available upon weaning in Oct/Nov 17. He will registered, branded/micro-chipped before leaving.

\$5000 Payment Plan is available. Price negotiable for interstate buyers. For more information please don't hesitate to contact Chè on 0417 154 183 or marglynstud@hotmail.com
