

PROCEDURE TO LEASE

LEASE APPLICATION FORM

1. The LESSOR is the registered owner of the pony. The lessor must be financial member of the Society and remain so for the duration of the lease.
2. The original Foal Recording or Adult Registration certificate must accompany this application. The original registration certificate is held by the owner/lessor and a photo copy is forwarded to the lessee.
3. The LESSEE is the person to whom the pony is to be leased. The lessee must be a financial member of the Society and remain so for the duration of the lease.
4. If the pony is to be leased for a set period of time, specific dates should be stated. At the end of the lease the pony is automatically transferred back to the owner. Nothing further is required. If the lease is for an indefinite period of time, then this should be indicated. To terminate an open ended lease, or if a lease is terminated before the due date, both parties must sign a LEASE TERMINATION.
5. If the lease refers to a mare, any mating details should be indicated. As the foal from this mating would be born into the membership of the lessee, a Certificate of Service, will be required before an application to register can be processed.
6. The lessor and the lessee must be financial members and remain so for the termination of the lease. Both must sign the lease agreement.

All requirements as indicated must be fulfilled, or the lease will not be accepted. This is the only form of lease recognized by the Society. The information as provided is the only information recognised in the Society's records.
