

PROCEDURE TO TRANSFER

APPLICATION FOR TRANSFER FORM

1. The vendor is the owner of the pony as per Society's records.
2. The original Foal Recording or Adult Registration certificate must accompany this application.
3. The purchaser must be a financial member of the Society, if not, a request for a [membership](#) application should accompany this transfer.
4. If the transfer refers to a mare, any mating details should also be indicated. As the resulting foal from this mating will be born into the membership of the new owner, a Certificate of Service, signed by the owner of the sire (if not the vendor) at the time of the service, will be required before an application to register can be processed.
5. The signature of both the vendor and the purchaser to be included.
6. No transfer will be processed with the original registration certificate, signed by the last registered owner of the pony, as per the Society's records. If the original certificate has been lost, a request for a Duplicate may only be requested in writing by the last registered owner of the pony.

NO TRANSFER WILL BE PROCESSED WITHOUT THE REGISTRATION CERTIFICATE.
