

PERFORMANCE REGISTER

The Connemara Pony Breeders' Society of Australia (CPBSA) is pleased to announce the establishment of a PERFORMANCE REGISTER that has been designed to record and recognise the performance of Connemara purebreds and partbreds nationally and internationally.

The CPBSA encourages you to enter your purebred or partbred pony or horse that has been foal registered with the Society. There will be NO entry fees.

Points may be gained in three sections:

PERFORMANCE: All individual events including all under saddle classes, dressage, harness, hunter and jumping, eventing, endurance, novelties/sport, vaulting, polo/polocrosse, camp drafting, western and field hunting.

IN HAND: All individual led-in or halter classes.

PREMIUM

SIRES/DAMS: All eligible results by first generation progeny.

Points will be awarded in each section in accordance with the point-score sheet that will be provided to all participants.

Points will be recorded by owners in the Scorebook provided on the basis of one pony per book.

Awards will be presented annually to the highest scoring purebred or partbred in each state. Separate awards will be given for the Performance section and the In-Hand section.

The Performance Register commenced from 1 July 2010 and all scores are calculated to 30 June annually. All Scorebooks will need to be returned to the Registrar at the end of each financial year for calculation. Scores will be made available on the web-site.

Scores for sires and dams will automatically be calculated by the Registrar. There is no need to apply for this section.

For any further details please contact the Registrar:
Gary Johnston
gary@garnetstud.com or (07) 4697 6906
